About Me

I am a Third-year student pursuing a Bachelor of Technology (B.Tech) degree in Computer Science and Engineering at Jawaharlal Nehru Technological University Anantapur (JNTUA) College of Engineering, Anantapur (CEA). Passionate about programming and continuously seeking opportunities to enhance my skills, I am dedicated to making a positive impact in the field of technology.

Experience

COMMUNITY SERVICE VOLUNTEER

JNTUA CEA May to June 2023

The community service project at JNTUA CEA aimed to bridge the technological gap for farmers by offering instruction on IoT technology. Through interactive sessions, farmers gained insights into utilizing IoT tools for enhanced agricultural practices. The project, led by me, facilitated a deeper understanding of IoT's potential to optimize farming techniques, empowering participants with practical knowledge for sustainable agricultural development.
